Welcome....

LAND & CATTLE

On behalf of everybody at Severtson Land and Cattle I would like to welcome you to our 17th annual bull sale. The demand for quality bulls never changes. Now more than ever a high quality bull will help give you the edge when it comes to marketing your calf crop. The demand for Angus, Gelbvieh and Simmental cross replacement females has never been better and we are confident that this offering will meet, if not exceed all your expectations. Please feel free to stop by and view the bulls anytime prior to the sale.

This year all of our bulls will be coming two year olds except for a handful of Jan born Simmental yearlings. We feel the older bulls will service more cows and stand up better for our customers. They have been developed at home again this year and have been grown out slowly on grass and a very high forage ration.

We are pleased to be working with Decka Farms, Greg Schierman and Sunberry Ranch again this year.

There will be EPD's, performance data and scrotal measurements on the bulls available on sale day. All bulls will be veterinary inspected and semen tested prior to delivery. We look forward to seeing you on sale day.
