General Information

CONDITIONS & GUARANTEE: All entries sell with a responsible breeders guarantee of satisfaction. In the unlikely event of any dispute whatever, regular TERMS & CONDITIONS recognized in accordance with the Canadian Gelbvieh Association Code of Ethics.

ALL CATTLE ARE SOLD subject to tests as required for export under Regulations of Health of Animals Branch, Dept. of Agriculture for Canada. Export Health Charts and other required documents shall be provided at no charge by the consignors.

TERMS OF PAYMENT: Cash or cheque payable to Clerk of the Sale on sale day. U.S. funds will be accepted at the current rate of exchange on sale day.

INSURANCE: Ownership risk to purchaser commences when Auctioneer's hammer falls. Full mortality insurance is available by an insurance representative present sale day.

HOLDING & SHIPMENTS: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at the sale location at no charge and under excellent care. Joint export shipping arrangements to obtain minimal shipping cost will be made by the consignors if instructions to that effect are provided to Clerk of the Sale at time of settlement.

TRUCKING: Truckers believed to be reliable will be available on request to transport purchases.

OWNERS: Reserve the right to with hold from export shipment animals for whom buyer or buyers agent have not made arrangements for payments in full, or other satisfactory arrangements, prior to time of export departure.

ALL PERSONS: Who attend the sale do so at their own risk and the owners and sale staff assume no liability, legal or otherwise for property loss or for any accidents that may occur.

Sale Day Phones:

Welcome from Severtson Land & Cattle

As you turn the pages of this Genetic Explosion Sale catalogue, you will find the same genetics that have produced and help produce many National Champions. The get and service of superior bulls, coupled with internationally respected cow families can be found within the lots of this sale. The young proven donors, highly productive bred cows, elite bred heifers and the flashy show heifer prospects are representative of the absolute top of the Severtson program and the Gelbvieh breed. This sale offering emphasizes cattle with respect to the needs of the industry by producing individuals that have strong maternal traits combined with, high growth and performance.

Superior cattle are made up of superior individuals! The core of the Severtson breeding program revolves around numerous foundation females that have truly made a name for themselves. Females such as BB Miss 61Y, SLC 19F, SLC 13H and SLC 188C just to name a few are showcased throughout. These donor females have produced numerous champions for us and our customers, making our embryo transplant program second to none.

We would like to welcome Bud and Anita Wald of Anchor Ridge Ranch and Loren and Karen Unger of Unger Land and Livestock as guest consignors. We think you will be impressed with the animals they have contributed to the sale offering.

On behalf of the Severtson family and the entire crew we are ready and anxious to host all of you on December 5th to witness a genetic offering that will most definitely "Blow your Mind!"

SLC 136L - Daughter of Lot 1

This black Stubby daughter has really done a nice job at SLC. She is a Dam of Merit and has earned the right to be a donor cow. She is sharp fronted, thick made and easy fleshing, with a near perfect teat and udder structure. We will be showing her at the National Show this Fall, along with her "JR" bull calf, who is also our People's Choice Bull Futurity entry.

We are offering 1/2 interest in 120H. She is bred back to "JR" again this year for a February baby. Exposed to Blackjack Jr from May 8 to June 30/04

A dark red daughter of 19F, that may be one of the best females ever raised at SLC. She has already won her division at Denver and was the Champion Female at the NILE in Billings, MT. She is a double bred "61Y" and has an udder second to none. She is bred to calve early (February) to our new black herd bull "JR". We would like to flush 106L this spring. We are selling 1/2 interest in this Freedom daughter. Exposed to Blackjack Jr May 8 to June 30/04

Visa has given us calves that have lots of hair and growth to them. This
 heifer's dam has given us lots of good ones. With 61Y x Vickie V in her pedi-
 gree, she should make a terrific momma cow.
